PLEASE CALL! If you turn over a bad check for collections and the debtor decides to pay up, please call us within **FIFTEEN DAYS (15)** ! That way, we can pull it back from the attorney's without penalty. THANKS!

BANKRUPTCY! If your debtors file bankruptcy, let us know as soon as you can. Then we can cancel the collections and stay within federal guidelines.

E-MAIL ACCESS TO REPORTS! Please note that all programs will not always receive *ALL* reports. Reports are generated for programs that only have specific activity; i.e. cancelled accounts, payments received, or judgements.

WIN VALUABLE PRIZES! We are sponsoring a "*World's Best Excuse*" contest. We want to see which agency has heard the most outlandish excuse for not being able to pay. Normal excuses like "I lost my job," or "My dog ate the letter," do not qualify. Excuses such as "I was sucked up by aliens," or "My cat was on fire and the letter burned up," are the types of excuses we are looking for. The contest will end September 29, 2000 and a panel of impartial judges (yeah, right) will determine the most outlandish excuse. We have yet to determine a prize, but by George it sure will be valuable. E-mail excuses to gregory.kirchhof@state.co.us Thanks!

DO YOU HAVE A GREAT IDEA? Don't let those great ideas go to waste! You can call or send your suggestions to me and I will guarantee they will be put to use right a way. You can help us provide better customer service. THANKS!

BE CAREFUL! Always suspect unsolicited e-mail before opening. It could contain a virus, which, we all know, can be hazardous to your computer's health.
